

Penn Dermatology Bucks County

1000 Floral Vale Blvd. | Yardley, PA 19067

Medical Director: Lisa Pappas-Taffer, MD

Penn Dermatology Bucks County opened in 2014 and offers free parking. We are located less than a mile from **Penn Medicine Bucks County**, a large multi-specialty site which offers a complete spectrum of practices and services, including primary care, cardiology, pulmonology, surgery, travel medicine, radiology services and an outpatient lab. We are also located less than 20 miles from **Penn Medicine Princeton**.

Penn Dermatology Bucks County is a highly academic, highly collegial practice with experts in CTCL, hair, connective tissue diseases, mucocutaneous lichen planus, and cosmetics. We look forward to working with you!

Recruiting Needs at this Practice: We are recruiting General and Medical Dermatologists, with opportunities to develop a sub-specialty practice and contribute to our highly rated residency program at the Perelman Center for Advanced Medicine.
