

## CPAT Core Service Cost List – External Member Pricing

*Prices effective December 1, 2022 and subject to change*

### Standard FFPE sample preparation and histochemical staining services

Tissue trimming prior to processing (limited service, requires advanced approval); per tissue	\$8.13
Processing for FFPE; per tissue	\$5.28
Embedding in paraffin; per tissue	\$5.69
Re-embedding (limited service, often required for externally sourced blocks); per block	\$10.56
Block facing fee for uncut or non-core blocks; per block	\$1.46
FFPE slide with one section; per slide	\$5.04
Additional section on FFPE slide; per section	\$0.81
RNAse-fee prep surcharge; per order	\$40.63
FFPE H&E Stain; per slide	\$3.66
FFPE special Stains (select list); per slide	\$15.44
Cryo H&E Stain; per slide	\$4.47
Cryo Oil Red-O Stain; per slide	\$12.19
Special Stains (custom request); per slide	TBD
Slide box (100 slides); each	\$42.25
Slide box (50 slides); each	\$32.50
Slide box (25 slides); each	\$26.00
Slide folder (20 slides); each	\$40.63
Slide mailer (5 slides); each	\$1.22
Microtome rental; per hour	\$40.63
Training/Technical Consultation; per hour	\$97.50
Clinical/Study Consultation; per hour	\$406.25
Processing and handling fee for shipping; per order	\$25.00
Shipping fees; per order	Market

### Requests for clinical FFPE specimens

Search charge; per hour	\$89.38
Sample acquisition fee; each	\$10.56
Clinical/Study Consultation; per hour	\$406.25

### RNAscope/BaseScope Support Services

3-Plex Negative control probes, per 100ul	\$6.50
3-Plex Positive control probes, per 100ul	\$6.50
Other catalog probe, per 100ul	\$31.69

OPAL Dye Set: 520570/690, 10ul each	\$52.00
Other reagents	TBD
Bench rental; per hour	\$10.56
Technical Consultation/Training; per hour	\$97.50

### LCM Services (slide requests under Standard FFPE services)

FFPE LCM Slides, H&E Stained (investigator provides slides); per slide	\$10.56
Cryo LCM Slides, Unstained (investigator provides slides); per slide	\$14.63
RNAse-fee prep surcharge; per order	\$40.63
Technical Consultation; per hour	\$97.50
LCM Training Sessions; per training	\$690.63
LCM Microscope Use; per hour	\$121.88
Slide box (100 slides); each	\$42.25
Slide box (50 slides); each	\$32.50
Slide box (25 slides); each	\$26.00
Slide folder (20 slides); each	\$40.63
Slide mailer (5 slides); each	\$1.22

### Standard Cryosection (Frozen/OCT Services)

Tissue processing and embedding (limited service, advanced approval required); per tissue	\$16.25
OCT block set up fee; per sample	\$13.81
OCT slide with one section; per slide	\$5.93
OCT additional section per slide; per section	\$2.19
Re-embed sample; per sample	\$8.13
RNAse-fee prep surcharge; per order	\$40.63
Additional OCT; per oz	\$3.33
Cryostat usage; per hour	\$19.50
Training/Technical Consultation; per hour	\$65.00
Clinical/Study Consultation; per hour	\$406.25
Slide box (100 slides); each	\$42.25
Slide box (50 slides); each	\$32.50
Slide box (25 slides); each	\$26.00
Slide folder (20 slides); each	\$40.63
Slide mailer (5 slides); each	\$1.22

### Immunostaining: IF, IHC

IHC - single Ab, FFPE; per section	\$65.00
IHC - double Ab, FFPE; per section	\$89.38
IHC - single Ab, OCT; per section	\$97.50
IHC - double Ab, OCT; per section	\$121.88
IF - single Ab, FFPE; per section	\$65.00
IF - double Ab, FFPE; per section	\$97.50

IF - triple Ab, FFPE; per section	\$130.00
IF - single Ab, OCT; per section	\$97.50
IF - double Ab, OCT; per section	\$130.00
IF - triple Ab, OCT; per section	\$162.50
Core provided primary antibody; per section	\$11.38
New antibody titration and protocol development for FFPE (limited service, advanced approval required); per antibody	\$812.50
New antibody titration and protocol development for OCT (limited service, advanced approval required); per antibody	\$1,218.75
Control slide for testing/training	\$16.25
IF/IHC training session fee (does not include slides or antibodies for staining); each	\$154.38
Technical training/consultation/additional optimization time; per hour	\$65.00

## TUNEL

TUNEL and Negative Control (inclusive of one Positive control per run); per sample	\$97.50
Positive Control (additional); per section	\$56.88
Negative Control (additional); per section	\$40.63
TUNEL (additional); per section	\$48.75
TUNEL training session fee (does not include slides or antibodies for staining); each	\$121.88
Consulting; per hour	\$65.00

## Barrier Testing

Consultation, per hour	\$105.63
Pilot study/Experienced User Run Experiment; per hour	\$130.00
Training session; per hour	\$130.00
Unsupervised use by trained member (typically single timepoint); per hour	N/A
Unsupervised use by trained member (typically multiple timepoints); per day	N/A
