

# Congratulations to our 2023 Dermatology Foundation Award Recipients!

**Vickie Fang, MD, PhD**

Dermatologist Investigator Research Fellowship

*Highly Multiplexed Imaging and Characterization of  
Tertiary Lymphoid Structures in Hidradenitis*

**Matthew Hedberg, MD, PhD**

Dermatopathology Research Career Development Award

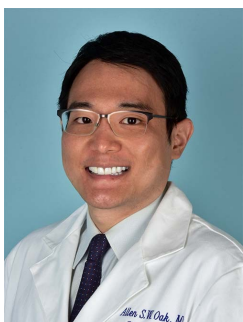

*Cellular Characteristics and Molecular Determinants  
of SSIC*

**Eun Kyung Ko, PhD**

Science of Human Appearance Career Development  
Award

*Defining the Role of Human Epigenome in Sebaceous  
Gland Development at Disease*

**Allen Oak, MD**

Physician Scientist Career Development Award

*Defining the Role of Mechanotransduction in Scarring  
Alopecias for Therapeutic Gain*

# Congratulations to our 2023 Dermatology Foundation Award Recipients!

## **Emily L. Baumrin, MD**

**Medical Dermatology Career Development Award (Year 2)**  
***Chronic Graft-versus-Host Disease: Development of a Skin-specific Patient-reported Outcome Measure***

## **Anna Kersh, MD, PhD**

**Physician Scientist Career Development Award (Year 2)**  
***Understanding the Molecular Pathogenesis of Lichen Planus and Lichenoid Dermatoses***

## **Satish Sati, PhD**

**Research Career Development Award (Year 2)**  
***Investigating Neuroimmune Interactions to Promote Scarless Skin Regeneration***

# ***Congratulations to our 2023 Dermatology Foundation Award Recipients!***

**Junko Takeshita, MD, PhD, MSCE**

**Bristol Myers Squibb Psoriasis Research Award**  
***Increasing Participant Diversity in Clinical Trials for  
Psoriasis through Video Education***
